

Your name: _____

Lab #: _____

In the space below, **honestly** evaluate the work of your lab partner. This information will be kept anonymous.

Lab partner's name: _____

- | | | |
|---|-----|----|
| 1. Did your lab partner arrive to lab on time? | Yes | No |
| 2. Did your lab partner come to lab with all required materials (pencil, calculator, lab manual, etc.)? | Yes | No |
| 3. Was your partner alert and focused throughout the lab? | Yes | No |
| 4. Was your lab partner sufficiently prepared? | Yes | No |

5. Check the most appropriate response regarding the **level of respect and professionalism of your partner**.

- ☐ **Excellent** (respected your opinions, came prepared and ready to work, treated you as an equal partner, spent the entire class focused and on task)
- ☐ **Good** (was polite, infrequently distracted, maybe spent some time discussing non-physics topics)
- ☐ **Average** (at times distracted, sleepy, or doing other things, attempted to get through lab quickly, did not always handle disagreements well)
- ☐ **Below Average** (came to class late, was rude, was not prepared, consistently disobeyed lab policy (using phone, eating, etc.), disregarded your opinions, complained frequently, sacrificed quality to get out of lab as quickly as possible)

6. Check the most appropriate response regarding the **quality of your lab partner's work**.

- ☐ **Excellent** (made no errors in explanations or calculations, double checked all work, understood all concepts and was able to explain them well)
- ☐ **Good** (made very few errors and was willing to ask lab partner or professor for help, was able to explain and/or understand concepts after discussion)
- ☐ **Average** (had an adequate understanding of the material, was willing to skip steps or take shortcuts to get through the lab)
- ☐ **Below Average** (unable to answer many questions, unwilling to fix mistakes, did not ask for any clarification, sacrificed quality for getting out of lab early)

7. Check the most appropriate response regarding **your lab partner's contribution to lab.**

- ☐ **Excellent** (shared the work equally and was willing to help in all areas:
calculations, set-up, data collection, computer work, clean up)
- ☐ **Good** (shared the work about evenly but did a bit too much or too little, at times
shy or uneasy about sharing ideas)
- ☐ **Average** (did only the parts that he/she was most comfortable with, did not
share any feedback, corrections, or disagreements)
- ☐ **Below Average** (did almost no work and mooched entirely off your efforts –OR–
did almost all of the work and moved too quickly without including you, acted as
if you didn't exist or as if your presence was a nuisance or hindrance to the lab)

8. Check the most appropriate response regarding **the ease of working with your lab partner.**

- ☐ **Excellent** (the lab flew by without any problems whatsoever, it was fun)
- ☐ **Good** (acted as a team player, but not an outstanding lab partner)
- ☐ **Average** (able to work adequately well as a team without necessarily getting
along well, or kept to themselves)
- ☐ **Below Average** (not a team player; was rude; did not care to put in any effort,
was unwilling to compromise or add to the discussion)

9. Would you want to work with this person again? Yes No

10. Please explain why, and provide details of **all** of the above feedback:
